Chamber of Commerce

# Membership Package

# Southern California Hispanic Chamber of Commerce

## About us

Established in 2009, the Southern California Hispanic Chamber of Commerce is an association of business people who are dedicated to promote and serve the economic, civic and cultural welfare of Southern California.

We are an organization, who looks to help businesses grow, we do this by being a resourceful asset in the development process of each one of our members.

## Mission

Our mission as a non-profit organization is to provide our members with the best business retention programs available from training seminars, legislative action, marketing, advertising, networking and more.
